Dear Harold -

Upon ~~I~~ I am surprised to know
each other - by name, at least. Even
if we couldn't do so by what we
look like. We were both in the
1931 Wilmington High Class.
We had a wonderful Reunion
on Thursday, May 14, but we
missed you. We were all sorry
that you hadn't been there well.
Once we sent out letters
and then that things will
improve.

Dave asked to write
to Carol. We lived in the
same area of Wilmington —
I at 2nd & Robinson Sts. Dave
in the 1935 Class. The Lewis'
Delaware and have been
back home Reunion there.
Did do hope that P & Still around!

to get to the 50th in 1985.
The people who put together
the 45th Reunion Hop
party did a wonderful job
including husbands & widows
over 200 people. It was
hard to believe the Committee
Co~~ch~~ had contacted so
many!

I'll send Bonnie a
good word for improved health
and a speedy down and
Out to the 1931 Class.

Sincerely yours.
Wm Richmond
